This week we will be finishing up our election materials. We are voting for Duck or Grace on Tuesday! I'm excited to find out who will become President of Wilson Creek. We will begin our unit on hibernation towards the end of the week.

Reminders:

- Don't forget to sign up for conferences, links are on the Manhattan home page @ www.manhattan114.org
- We made sight word flashcards our book bags. Please go over them each day and keep them stored in your students' bags.
- The Dr. Seuss book bags should be checked each night. Think of it as nightly "homework" to quickly go over sight words or read a story from the bag each night. Thank you for your support!
